

# STANDARD QUOTE PACKAGE

The information in this package will help you select the right products and provide you with standard pricing. You will be able to build your own estimate for temporary fencing and related products to get an idea of the cost to secure your site.

Please speak with a sales representative if you have any questions, or require a larger quantity of fence (200ft or more).

## STEP 1

Review available products and pricing on **page 2**.

## STEP 2

**Renting:** If you want to rent your fence, fill out the order form on **page 3** and submit your order to your customer service representative, or by calling 1-800-522-8371. Please note:

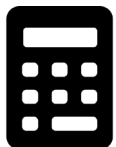

- Service charges are subject to a minimum round trip service charge of \$600, or \$300 each way. Service charges are subject to a Fuel Surcharge.
- Minimum service charge does not include gates or other accessories. Rentals are subject to a \$100 minimum 28 day rental charge.
- Any other products and service charges are extra.
- Prices do not include taxes.
- Prices are for informational purposes only and additional service charges may apply at the time of ordering.
- Privacy screening does not include installation.
- Prices are subject to change at any time.

**Buying:** If you want to purchase your fence, please speak with your Customer Service Representative, or call 1-800-522-8371.

## STEP 3

OPTIONAL

If you would like an estimate for your rental, we have provided a worksheet for you on **page 4**.

## WHY MODU-LOC?

Supplying site containment solutions to our Canadian and US customers since 1996, we've built an outstanding reputation as industry-leading rental fence experts. The temporary fencing solutions we've developed continue to meet and exceed the needs of our diverse clients in construction, special events, industry, retail and municipalities.

# OUR PRODUCTS

## TEMPORARY FENCE

### Standard Fence Panel

Our temporary fence panels are professionally engineered for strength and durability to provide the highest degree of security in the rental fence industry.

### Pickup Panel

Modu-Loc's pickup panels are a lightweight, versatile solution for basic applications. Designed to fit in the back of a van or pickup truck, they are convenient, economical, and available for purchase.

### Light Duty Fence Panel

When renting is not an option, Modu-Loc style utility fence panels are available for purchase.

Fence Type	Purchase Price (per panel)	Rental Price (per linear foot)
Standard 6' x 10'	Please call	\$0.85
Standard 8' x 10'	Please call	\$1.00
Light Duty 6' x 9.5'	\$150.00	For Purchase Only
Pickup Panels 6' x 4'	\$105.00	\$0.85

## ACCESSORIES

### Safety Ramp

These high-visibility safety ramps slide onto fence bases to provide a smooth transition for wheeled equipment and to help reduce pedestrian tripping hazards.

**\$3** per unit, per 28 day rental period  
**\$39** purchase price

### Security Clamp

Our security clamps improve the security and stability of the fence line.

**\$1** per unit, per 28 day rental period  
**\$11.50** purchase price

### Single Gate

Creating easy-to-use access points within a fence line reduces perimeter breaches that can happen when trades and exhibitors remove fence panels to gain their own site access.

**\$30** one time install

### Delineator

Our delineators further reduce tripping hazards and improve the barrier between live construction sites and pedestrians.

**\$4** per unit, per 28 day rental period  
**\$27.50** purchase price

### Debris Netting\*

An affordable, lightweight and durable polyethylene debris netting to help contain dust and debris on active construction sites.

**\$3** per linear foot (for purchase only)

### Sandbag

Easy to install sand bags are placed on top of fence bases to improve the stability of the fence line.

**\$15** purchase price

### Privacy Screen\*

Ideal for construction sites, special events or any area where limiting visual access or containing dust and debris is required.

**\$3** per linear foot (for purchase only)

\*Pricing for privacy screen and debris netting does not include installation.
