

# CONCRETE BARRIER FENCING

**Modu-Loc Fence Rentals offers superior installation systems that adapt to the most demanding conditions, including roadside applications. Modu-Loc fence can be mounted on concrete or jersey barriers, providing additional security and privacy for roadside installations.**

**CONCRETE BARRIER INSTALLATION** with saddle mounts or bolted plates

**STRONG BREACH DETERRENT** – visually and physically

**REDUCES INSTALLATION TIME AND COSTS** over other mounted barrier systems

**MORE VISUALLY APPEALING** compared to traditional barrier fences

**MINIMIZES PUBLIC'S EXPOSURE TO DUST AND DEBRIS** and reduces site visibility – with privacy screening

Providing industry-leading site containment solutions nationwide
