

LIGHT DUTY SALE FENCE

When renting is not an option, economic fencing solutions are available for purchase. Modu-Loc Fence Rentals offer light duty galvanized CANPAD fence panels.

COMPETITIVELY PRICED – Light duty set includes a 6' x 9.5' panel, one cap and one base

PORTABLE – Light duty set weighs 40 lbs, making it versatile, easy to set up, and transportable

ATTRACTIVE & DURABLE – Panels are pre-galvanized for optimal longevity

SIMPLE TO SET UP AND TAKE DOWN with interlocking fence panels, bases and caps

COST-EFFECTIVE alternative to rental fencing for customers with frequent and long-term site containment needs

With a lighter-duty product, a form of reinforcement will be required to add stability. Modu-Loc recommends implementing accessories such as wind braces or sandbags when using light duty fence.
